BY RAIL

The local railway station is Derby Railway Station on London Road. A short taxi journey will take you to the facilities.

BY AIR

The local airport is the Nottingham East Midlands Airport. From the airport you can take a taxi to the facilities. If you are travelling by car then take the A453 following signs to the M1 north. The remainder of the journey is as the directions from North and South of England below.

BY ROAD

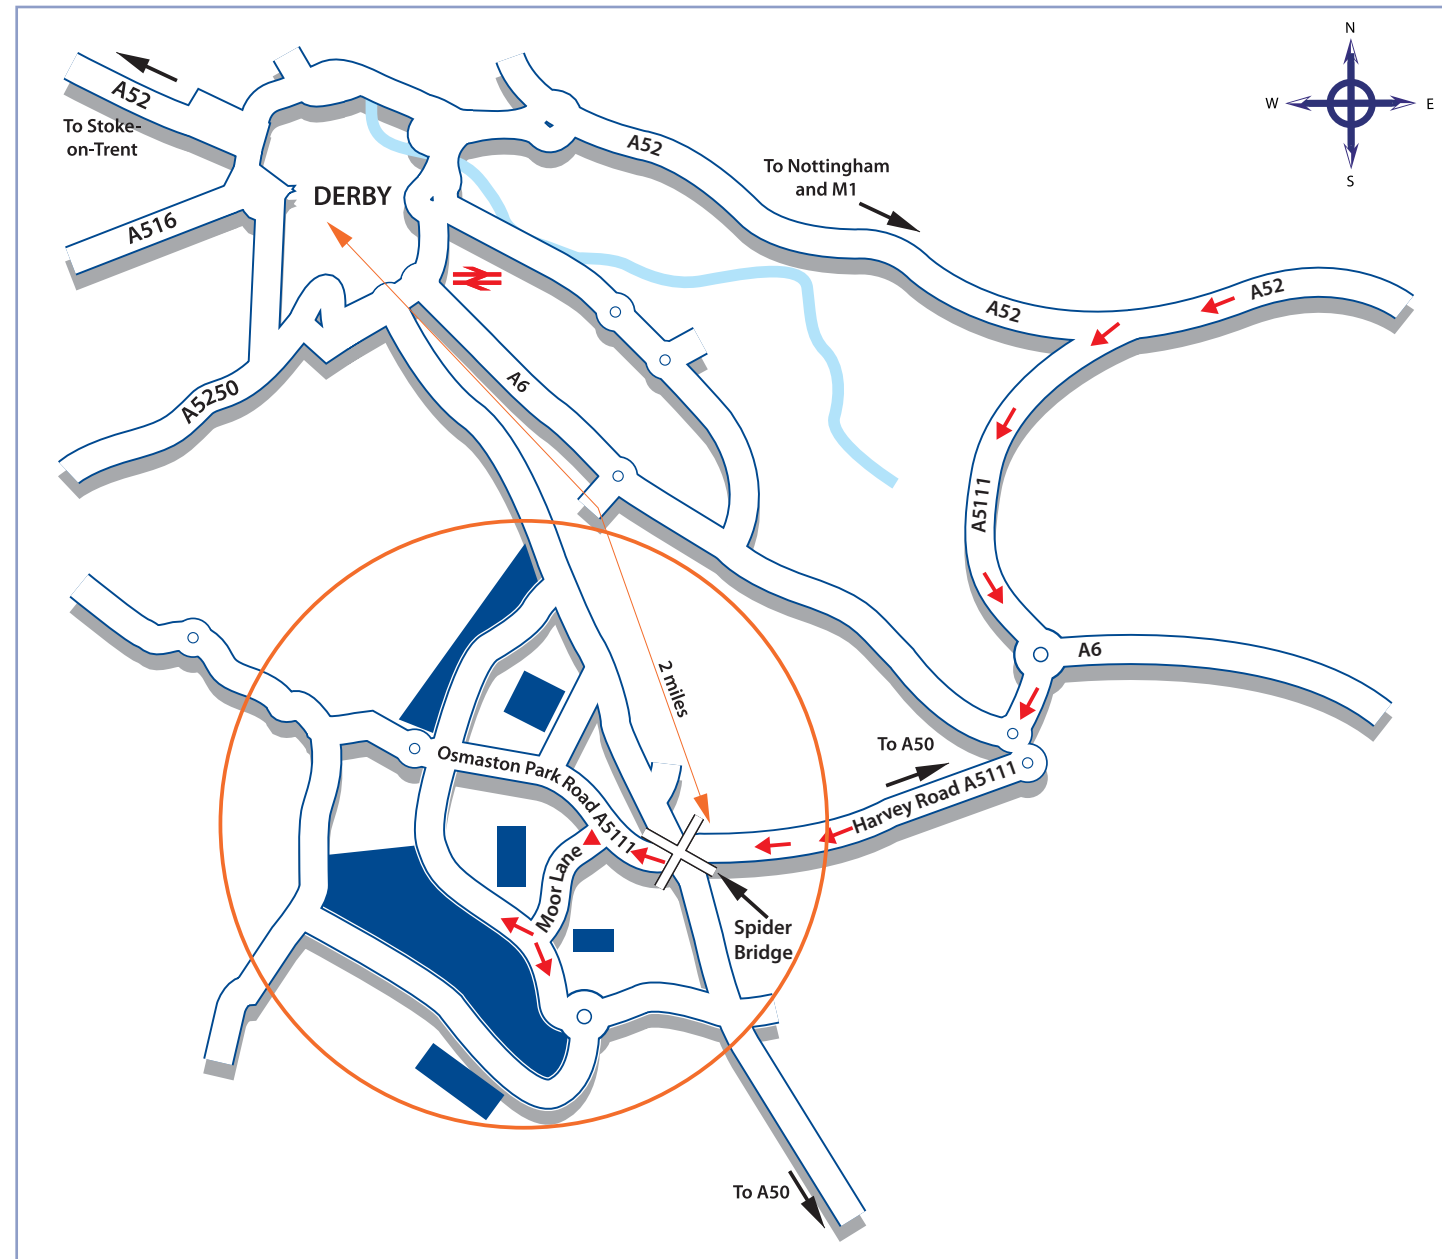

Manchester - Join the M56 Southbound and exit at junction 9 to join the M6 Southbound. Exit M6 at junction 15 and follow the A50 heading through the outskirts of Stoke-on-Trent and towards Derby. Continue along the A50 until you reach the A5111. Now continue your journey using the West of England directions (mid way through).

Birmingham - Follow signs to the M42 Northbound then follow the directions for the West of England.

Heathrow - Follow signs to the M25 then merge onto the M25 and head towards Gerrards Cross. Continue along the M25 until you reach junction 21 which merges with the M1 and now use the directions for the North and South of England. All other London Airports join M25 and head for the M1.

North and South of England - Travelling on the M1, leave the motorway at Junction 25. Take the first exit A52 Derby for approximately 5 miles before bearing left on the Ring Road A5111. Continue straight on at the first traffic island and turn left at the next traffic island (Alvaston). At the next traffic island turn right; continue straight on at the next (Spider Bridge) to the traffic lights. At the lights turn left on to Moor Lane, continue to the end and the Rolls- Royce Sinfin sites are to your left and right.

West of England - Travelling on the M5/ M42, which becomes the A42 at Junction 11. Continue on until you reach Junction 24 – M1, take the A50 Derby road until you reach the Derby Ring Road (A5111) . Go straight through the roundabout at the Spider Bridge. Turn left at the next set of traffic lights on to Moor Lane. Continue to the end of Moor Lane and the Rolls- Royce Sinfin Sites are on the left and right.
