# Join the Institute of Physics and its Groups

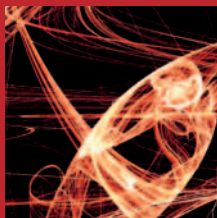

## I wish to join the following groups

Please tick the appropriate box(es). No fee is charged to join groups.

- |  |                          |   |                          |
|--|--------------------------|---|--------------------------|
| Astroparticle Physics Group                | <input type="checkbox"/> | Medical Physics Group                     | <input type="checkbox"/> |
| Atomic and Molecular Interactions Group    | <input type="checkbox"/> | Molecular Physics Group                   | <input type="checkbox"/> |
| Biological Physics Group                   | <input type="checkbox"/> | Nanoscale Physics and Technology Group    | <input type="checkbox"/> |
| BRSG: The Magnetic Resonance Group         | <input type="checkbox"/> | Neutron Scattering Group                  | <input type="checkbox"/> |
| British Carbon Group                       | <input type="checkbox"/> | Nonlinear and Complex Physics Group       | <input type="checkbox"/> |
| Combustion Physics Group                   | <input type="checkbox"/> | Nuclear Physics Group                     | <input type="checkbox"/> |
| Computational Physics Group                | <input type="checkbox"/> | Optical Group                             | <input type="checkbox"/> |
| Dielectrics Group                          | <input type="checkbox"/> | Physical Acoustics Group                  | <input type="checkbox"/> |
| Education Group                            | <input type="checkbox"/> | Physics and Law Group                     | <input type="checkbox"/> |
| Electron Microscopy and Analysis Group     | <input type="checkbox"/> | Physics in Finance Group                  | <input type="checkbox"/> |
| Electrostatics Group                       | <input type="checkbox"/> | Plasma Physics Group                      | <input type="checkbox"/> |
| Energy Group                               | <input type="checkbox"/> | Polymer Physics Group                     | <input type="checkbox"/> |
| Engineering Physics Group                  | <input type="checkbox"/> | Printing and Graphics Science Group       | <input type="checkbox"/> |
| Environmental Physics Group                | <input type="checkbox"/> | Quantum Electronics and Photonics Group   | <input type="checkbox"/> |
| Gravitational Physics Group                | <input type="checkbox"/> | Quantum Optics, Quantum Information       | <input type="checkbox"/> |
| High Energy Particle Physics Group         | <input type="checkbox"/> | and Quantum Control Group                 | <input type="checkbox"/> |
| Higher Education Group                     | <input type="checkbox"/> | Semiconductor Physics Group               | <input type="checkbox"/> |
| History of Physics Group                   | <input type="checkbox"/> | Stress and Vibration Group                | <input type="checkbox"/> |
| Instrument Science and Technology Group    | <input type="checkbox"/> | Structural Condensed Matter Physics Group | <input type="checkbox"/> |
| Ion and Plasma Surface Interactions Group  | <input type="checkbox"/> | Superconductivity Group                   | <input type="checkbox"/> |
| IT, Electronics and Communications Group   | <input type="checkbox"/> | Theory of Condensed Matter Group          | <input type="checkbox"/> |
| Liquids and Complex Fluids Group           | <input type="checkbox"/> | Thin Films and Surfaces Group             | <input type="checkbox"/> |
| Low Temperature Group                      | <input type="checkbox"/> | Tribology Group                           | <input type="checkbox"/> |
| Magnetism Group                            | <input type="checkbox"/> | Vacuum Group                              | <input type="checkbox"/> |
| Materials and Characterisation Group       | <input type="checkbox"/> | Women in Physics Group                    | <input type="checkbox"/> |
| Mathematical and Theoretical Physics Group | <input type="checkbox"/> |   |                          |

## Further information

If you would like to know more about the Institute's groups please see [www.iop.org](http://www.iop.org) or contact [groups@iop.org](mailto:groups@iop.org).  
Group listing correct as at September 2008.

**IOP** Institute of Physics

# Join the Institute of Physics and its Groups

**The Institute of Physics (IOP) is the leading professional body actively working to promote developments in physics both in the UK and internationally, providing a unique forum for dialogue and debate on a richly varied and continually evolving field of knowledge.**

Name

---

Job title

---

Address

---

---

Postcode

---

E-mail

---

## Existing members

I am a member and would like to join an IOP group(s)

IOP membership number

---

Please tick the appropriate box(es) overleaf.

## Non members

I am not a member but would like to receive more information about the Institute of Physics

Where did you hear about the Institute of Physics and its groups?

At a conference (*name of conference*)

---

Other (*please state*)

---

---

Any information you provide will be kept confidential and at all times any such use shall be strictly in accordance with the Data Protection Act 1998.

If you are at a conference please return this form to a member of IOP staff or a member of an IOP group committee.

Alternatively please return the form by post to: Membership Department, The Institute of Physics,  
76 Portland Place, London W1B 1NT.

You may also join the Institute and its groups via our website [www.iop.org](http://www.iop.org)
