

2008 Polymer Science and Technology: Nine day modular course

Novotel Sheffield, 27th October to 6th November 2008

A two-week course, run by the Polymer IRC and the Sheffield Polymer Centre.

For further details see:

<http://www.polymerirc.org/pages/CourseDescriptions>

Topics covered

Week one

- Day 1: Basic Polymer Science part I
- Day 2: Basic Polymer Science part II
- Day 3: Polymer Chemistry
- Day 4: Polymer Engineering (Polymer Processing)
- Day 5: Polymer Physics

Week two

- Day 6: Multi-phase Polymer Materials and Composites
- Day 7: Polymer Dynamics and Macromolecular Rheology
- Day 8: Polymer Nanotechnology
- Day 9: Polymeric Biomaterials

Discounts for Polymer Physics Group Members

Student members of the Polymer Physics Group qualify for a 50% discount on fees. Non-student members qualify for a 15% discount.

To book your place on a course, request a brochure or any further details, please contact: Shelagh Cowley (Email s.h.cowley@sheffield.ac.uk, Tel: 0114 222 9537 or Fax: 0114 222 9389).
