Presentation by \_\_\_\_\_

Date \_\_\_\_\_ time taken \_\_\_\_\_

Topic covered \_\_\_\_\_

How do you rate the material for the session? **Excellent / Very good / Good / Fair / Poor**  
Please comment:

\_\_\_\_\_

Did the material support the curriculum / teaching of science in the school? **Yes / No**  
Please explain:

\_\_\_\_\_

Did the children enjoy the session? **Yes a lot / Yes / No** Please comment:

\_\_\_\_\_

Did the children understand the material?

\_\_\_\_\_

Do you think the children benefited from the sessions and if so in what way?

\_\_\_\_\_

Which activities did the children enjoy most?

\_\_\_\_\_

Did the material raise their interest in physics (science)?

\_\_\_\_\_

Was anything missing or have you suggestions to improve the presentation?
