Calling All Female AS Level Physics Students!

Enter a competition to win an all-expenses paid, four day trip to the European Synchrotron Facility (ESRF) and Institut Laue-Langevin (ILL) world leading science facilities and meet the amazing scientists who work there, as well as exploring the beautiful French city of Grenoble.

To enter, email kayleigh.lampard@warwick.ac.uk to get an entry form. Then write an essay on ‘What is the legacy of Dorothy Hodgkin, both on the study of structure on an atomic scale, and for women in Science?’ and send your entry in by 10th February 2016.

By entering the competition not only could you win a place on the trip you will also be invited to an evening of inspirational talks at the XMaS Science Galas. You will hear about loads of opportunities and activities to get involved in, speak to professors, staff and students who went on the last year’s trip! Events will be held at Universities of Warwick on 3rd February 2016 and Liverpool on 10th February 2016.
