British International Schools Affiliation Scheme

The Institute of Physics is a scientific charity devoted to increasing the practice, understanding and application of physics. It has a worldwide membership of over 50,000 and is a leading communicator of physics-related science to all audiences, from specialists through to government and the general public. Its publishing company, IOP Publishing, is a world leader in scientific publishing and the electronic dissemination of physics.

The Institute offers an Affiliation Scheme for British International Schools, which costs £76 per annum. This entitles schools and colleges to receive:

- **Classroom Physics** - a newsletter published four times a year, with information about events, resources and training, as well as teaching tips and practical ideas focused on 11-16 age group;
- **Physics Education** - a journal containing articles about teaching physics, news, teaching tips and reviews of textbooks and software. The journal is published six times a year and affiliated schools can access all the content online for free;
- **Physics World** - a leading physics magazine published monthly, which will help to keep you in touch with developments in Physics as well as providing inspiration for your students;
- Discount on Institute conferences and events such as Physics Updates and teacher meetings;
- Access to MyIOP - the new website that provides a meeting place for the worldwide physics community - for a named contact or nominated colleague;
- Posters, resources and careers material produced by the Institute and other organisations;

One of our core aims is to secure a flourishing future for physics, and to this end the Institute supports physics in all schools and colleges by:

- supporting teacher training and professional development
- supporting curriculum development
- creating teacher networks
- running teacher and student events
- providing career materials
- providing classroom resources

For more information on any of the above, to access resources and for full details of all the support available to teachers and students visit the Schools and Colleges section at [www.iop.org](http://www.iop.org).

The Institute offers an Affiliation Scheme for British International Schools, which costs £76 per annum. This entitles schools and colleges to receive:

To join the affiliation scheme at a cost of £76, please complete the order form overleaf.
International Affiliation £76 per annum

☐ Please send an invoice to the address below

Country: Telephone no:

Fax: E-mail:

The Education department supports a number of e-mail discussion lists designed to provide teachers with a forum to share ideas, ask for advice and exchange views. If you would like to be added to any of these lists please tick the box below:

☐ PTNC – Physics Teaching News and Comment – for all those with an interest in the teaching and learning of physics
☐ SPUTNIK – Scottish Physics Teaching News and Comment – for those teaching physics in Scotland
☐ NIPTG – Northern Ireland Physics Teachers Group – for those teaching physics in Northern Ireland

Type of School (tick as many as apply)

☐ Mixed
☐ Boys
☐ Girls
☐ 11-16
☐ 11-18
☐ 14-18
☐ Science or Technology College
☐ Selective
☐ Comprehensive
☐ FE College/Sixth Form
☐ Independent (fee paying)
☐ Other (please state)

I wish to join the affiliation scheme
