Stereotype threat

Stereotypes and assumptions

1. Which one of these people is a scientist?

2. Which one of these people was excluded from school?

3. Which one of these people earns the most money?

Discussion
- What kind of assumptions did you make to answer the questions?
- What other assumptions and judgements do we unconsciously make?
- Do you think these assumptions affect how successful people are?
Stereotype threat

Overcoming stereotype threat

What is the scenario you’ve chosen?

How would you overcome stereotype threat?
