Negotiation Skills - The Principles

Being able to negotiate effectively will benefit you both in and outside of the workplace. This course will help you to learn some practical negotiation techniques and strategies, and to plan your negotiations to give you the greatest chance of success. Covering the principles, the preparation and the practice of negotiating skills the course combines theory with practical activities and scenarios to help you put what you learn into practice.

Negotiation Skills - The Principles enables the learner to:

• Plan all their negotiations effectively
• Identify their own negotiation style to help them improve
• Adapt their negotiation style to suit the context of the situation
• Understand how to prepare in a way that will ensure the best result for them

Learners may also be interested in Advanced Negotiation which further develops the ideas, skills and learning covered in Negotiation Skills - The Principles.
