2019 Funding

IOP | Institute of Physics **Higher Education Group**

- 2020 IOP Group Funding Requests are submitted at the start of September.
- Last year we requested £6,250 and were fully funded
- IoP allow up to £1000 for a one-day meeting - small registration fees can be added to cover speakers expenses.

If you would like to request funding for a meeting through the HEG, please send the following to Nic, Helen or Tom :

1. A brief description of your event (~250 words)
2. An outline budget for your event indicating the overall costs, the support requested from the HEG, and an approximate breakdown of how the HEG support would be used.
3. Information on requested financial support from other sources, indicating how much, and if a decision has been obtained.
4. Are you requesting any other support from HEG?
5. Give any other information on why the HEG should support your event, including any potential benefit for the HEG community. (~250 words max)
