

# How to be a role model

Tell your career story, provide insight into your industry and help inspire the next generation, all in a flexible way that suits you.

## 1 Sign up with Founders4Schools

Visit: [www.founders4schools.org.uk/partners/institute-physics](http://www.founders4schools.org.uk/partners/institute-physics) and register using your email or LinkedIn account. Complete your contact details and activate your account via email.

## 2 Complete your profile

Fill in your volunteer profile to provide information on the areas you can talk about and your preferences so teachers can invite you with inspiration events that are a perfect fit for you.

- Job role
- Languages you speak
- Your skills
- Event types & frequency
- Company
- Accommodation requests

## 3 Your dashboard

Once you've registered, you will appear in volunteer searches when teachers are organising events. You will be notified via email when you have been selected to take part in an event by a school and we will provide you with volunteer guidance. You can use your dashboard to:

- Accept & decline invites
- See an overview of your events
- Message educators
- Update your profile with job changes

## 4 Questions

Visit our helpful volunteer FAQ's to find out what it's like to volunteer: [www.founders4schools.org.uk/volunteer/faq/](http://www.founders4schools.org.uk/volunteer/faq/) or email our team on [community@founders4schools.org.uk](mailto:community@founders4schools.org.uk)
